Jack will take time to sit down with you both to discuss your day when you book and again nearer the time of the Wedding to ensure that everything has been covered.

Wedding imagery comprises both formal and informal photographs to ensure that every aspect of your day is covered. Two photographers work together during your posed photographs, one concentrating on the formal photography, with the other capturing those moments in between.

All packages will be signed under a contract when chosen. Bespoke packages are available on request.

Standard Digital Adjustments performed include:

- Black & White / sepia toning.
- Mixture of Black & White and Colour images
- Soft focus effects
- Vignette effects with dark soft edges
